Bamboo items

This catalog showcases our bamboo collection – from round skewers to heart picks, loop picks, and double skewers. Six versatile styles, each thoughtfully designed to make your food look great and stay easy to serve.

Introduction

Bamboo is one of the most sustainable and rapidly renewable resources on the planet. Our bamboo products are crafted from 100% natural bamboo, offering a biodegradable and eco-friendly alternative to plastic and metal for food service and cooking.

Our extensive product range includes **round skewers, knotted picks, teppo skewers, heart picks, loop picks, and double skewers**—available in a variety of diameters, lengths, and colors to suit every need. From grilling kebabs to garnishing appetizers, cocktails, and dessert platters, these bamboo items enhance any dish with natural style.

All our bamboo products feature **smooth, splinter-free surfaces and sharp or specially designed tips** for effortless food piercing. They are **strong, heat-resistant, and disposable**—eliminating the need for washing. Whether you are a restaurant, catering business, or home cook, our bamboo range offers the perfect solution for creative food presentation and everyday cooking.

Introduction

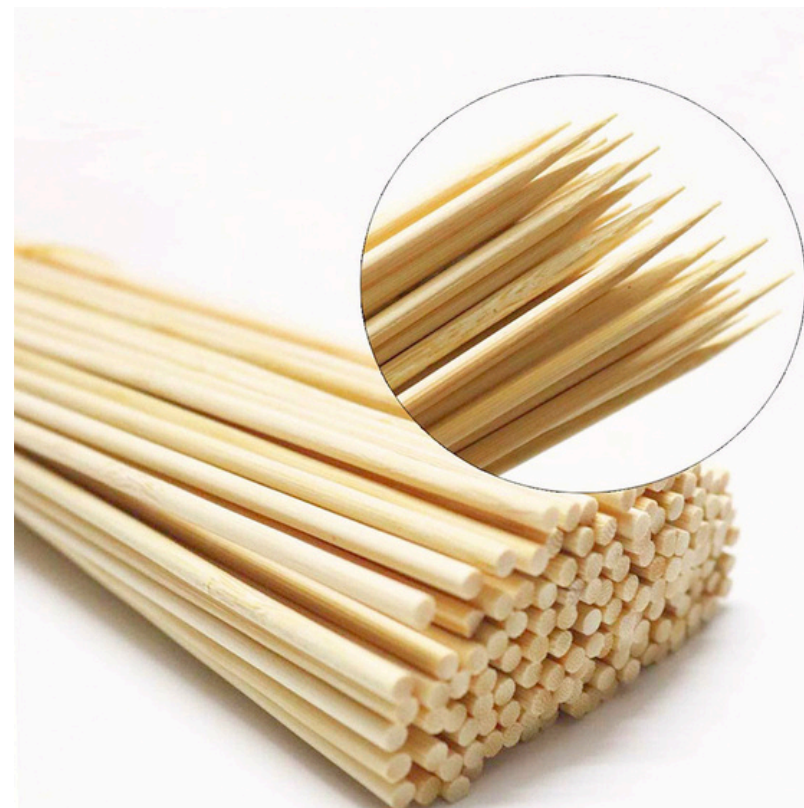

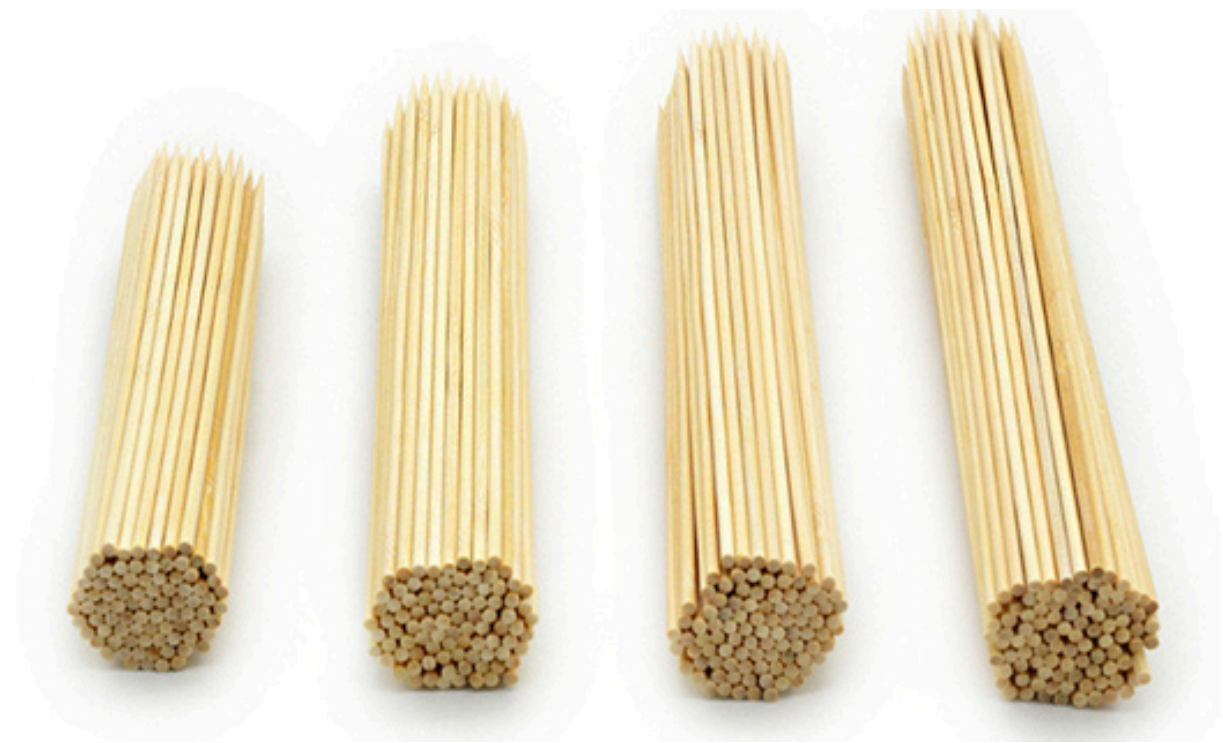

Our round bamboo skewers are made from 100% natural bamboo. Available in four diameters (2.5-6.0 mm) and lengths from 15 to 30 cm, they suit everything from grilling kebabs to garnishing appetizers and desserts.

Key Features

- **Eco-Friendly:** Made from bamboo – renewable, biodegradable and compostable.
- **Strong & heat-resistant:** Holds food securely without bending or breaking.
- **Smooth & Splinter-Free:** Safe and comfortable to handle.
- **Sharp Pointed Tip:** Effortlessly pierces all food – from dense meats to delicate fruits.
- **Multiple Size Options:** 4 diameters (2.5–6.0 mm) and 4 lengths (15–30 cm) to fit everything from cocktail picks to BBQ skewers.

Product details

How to use

Skewer Ingredients: Use the sharp pointed tip to easily pierce meats, vegetables, seafood, or fruits.

Cook: Perfect for barbecue, oven, or roasting – ideal for kebabs, satay, yakitori, and more. For grilling or oven use, soak skewers in water for 15–30 minutes before cooking to prevent charring.

Serve or Decorate: Use for appetizers, cocktail garnishes, fruit platters, or creative food presentations.
